Dear Ms. Terra:

At its regularly scheduled, properly noticed monthly meeting on September 11, 2012, Advisory Neighborhood Commission (ANC) 6B voted \_\_\_\_-\_\_\_\_-\_\_\_\_ to support the grant request to the District of Columbia Commission on the Arts and Humanities (DCCA) by the Capitol Hill Arts Workshop (CHAW) for its proposed "Two Views" project.

As proposed, the "Two Views" project would project images, such as animations and other artists' works, on two upstairs corner windows at 7th and G Streets SE for viewing from the sidewalk each evening after sunset. ANC 6B's support is based on:

- the strong reputation that CHAW has established in its neighborhood, and indeed in the DC Metropolitan Area, for its imaginative programs and able management throughout its 35-year history;
- CHAW's commitment to inform its neighbors of the project and to seek their reactions and comments; and
- the conception and management of the project by Bruce McKaig, who has been involved with CHAW for much of its history and was instrumental in previous CHAW projects that brought art and beauty to the CHAW location and the immediate community.

ANC 6B urges the DCCA to support this imaginative project and would, of course, be please to respond to any questions and concerns you may have. Thank you.

Sincerely,

Andrew Jared Critchfield, Ph.D.  
Chair
